

## **Corrected version of the annual report 2022**

This is a corrected version in relation to the annual report 2022 which was published on April 27, 2023.

On page 58 Trade payables for the comparative period 2021 were stated to be the same in 2021 as for 2022: EUR 36,126 ('000s). Trade payables for the comparative period 2021 have in this corrected version of the annual report 2022 been corrected to EUR 25,818 ('000s).

Furthermore, Contract liabilities for the comparative period 2021 were stated to be the same in 2021 as for 2022: EUR 28,125 ('000s). Contract liabilities for the comparative period 2021 have in this corrected version of the annual report 2022 been corrected to EUR 12,965 ('000s). The differences are explained by a human error, when creating the final document. However, Total liabilities do not differ between the annual report 2021 and 2022.
